THE UNITE CLUB MISSION:

To help students prepare for life beyond academia; to become confident and positive change agents in the world; and to achieve short- and long-term success as active and engaged citizens.

“The Unite Club has been transformative for me. It is where I found mentorship, new skills, and a community of collaboration, growth, and love. Unite has pushed me to think bigger, act bolder, and embrace the power of collective action not only for my own needs but for the needs of others. When we unite, we create lasting impact in our society.”

—Hilton Daudi Makamba, Unite Club Member, Tabora Boys School, 2022-2024

“The Unite Club is an answered prayer for us. It is filling a great void and helping to shape a new generation for Africa.”
